All names go off mail list at expiration of  
subscription.

Entered as second-class matter July 16, 1896,  
at the postoffice at Elba, Ala., under the act  
of Congress of March 3, 1879.

ELBA, ALA. AUGUST 12, 1910.

The national prohibition party  
has declined to accept Mr. Bryan  
as a leader.

The independent democrats won  
in the Tennessee election last  
week and it is not improbable  
that a republican will be elected  
governor this fall.

Mayor Gaynor, of New York,  
was shot and dangerously wound-  
ed Tuesday by a discharged watch-  
man of the city government.  
The mayor was shot through the  
neck and his recovery is doubt-  
ful.

A news item from Vicksburg,  
Miss., says a negro farmer near  
that city has discovered a sub-  
stance that instantly kills the  
cotton boll weevil. It is certainly  
good news if true.

Southeast Alabama is going to  
have the greatest influx of new  
settlers this fall and winter that  
the section has ever known. The  
advance guard is already arriving  
to look over the ground and they  
are all sending favorable reports  
back home. Reports on the crops  
to be seen in our fields now will  
bring hundreds of farmers to see  
and the low price of lands will be  
sure to make them buy. The new  
settlers are coming sure, and it  
only remains for the people of  
Elba to see that a portion of  
are anchored here.

**We Do Not Recommend.**  
Sutherland's Eagle Eye Salve for  
anything but the eyes. It is a  
speedy and harmless cure for  
granulated lids, scrofulous sore  
eyes, styes, weak eyes and dimness  
of vision. Sold everywhere 25c.

Solicitor generals in Georgia  
have been put on salaries; the per-  
nicious fee system is abolished.  
Other states will doubtless follow  
this lead and in time all officers  
will be paid salaries.

The worlds most successful  
medicine for bowel complaints is  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy. It has relieved  
more pain and suffering, and  
saved more lives than any other  
medicine in use. Invaluable for  
children and adults. Sold by All  
Druggists.

Be sure and take a bottle of  
Chamberlain's Colic, Cholera and  
Diarrhoea Remedy with you when  
starting on your trip this summer.  
It cannot be obtained on board the  
trains or steamers. Changes of  
water and climate often cause  
sudden attacks of diarrhea, and  
it is best to be prepared. Sold by  
All Druggists.

We want to show you our out-  
glass and jewelry, they will sur-  
prise you, and the prices will  
make you smile out real loud.

Baldwin county has raised a  
crop of Bermuda onions this year  
that sold at a handsome profit  
and the business will be more ex-  
tensively engaged next season.  
This is a sure crop in Coffee.

## CASTORIA For Infants and Children. The Kind You Have Always Bought

Bears the  
Signature of *Dr. J. C. Watson*

The commission form of gov-  
ernment seems to be growing in  
public favor and one of the rea-  
sons given is that it will take the  
business of cities out of politics.  
It will really only create closer  
political machines by concentrat-  
ing power and patronage in the  
hands of a few commissioners.

The fifth annual convention of  
the F. E. & C. U. of A., Alaba  
division, will convene in the city  
of Montgomery, August 17, at 10  
o'clock a. m. in the city hall.

# Appreciation.

The management of this store most  
keenly appreciates the generous patron-  
age and confidence that has been given  
us by the people of Elba and vicinity.  
Without this confidence such a complete  
drug store would be impossible in a town  
so small as Elba, but because of this pat-  
ronage we are able to keep fresh and  
pure everything in the drug line.

We would also thank the good  
people for the interest taken in  
our prize Piano contest. It is a  
rich prize and is being most stren-  
uously striven for. Never or an  
instant has the interest lagged  
and each day brings new voters to  
our store.

Come in and join the  
happy, pushing band.

## EVERY FARMER.

As well as every business man,  
Should have a bank account.

### Why?

**Because:** Your money is safer in the bank  
than anywhere else.

Paying your bills by check is the safe-  
est and most convenient method.

Your check becomes a voucher for the  
debt it pays.

It gives you a better standing with  
business men.

Money in the bank strengthens your  
credit.

A bank account teaches, helps and  
encourages to save.

This bank does all the bookkeeping.

Your bank book is a record of your  
business.

To those desiring Banking Connections with an Old  
Established Bank, we extend our services.

Elba merchants are preparing  
for a big business this fall. The  
largest stocks of goods that have  
ever been bought here are now ar-  
riving and there is going to be  
some lively hustling for the im-  
mense trade of this section. Elba  
merchants have always been able  
and willing to meet any sort of  
competition and they will be bet-  
ter prepared than ever this fall.

Carelessly compounded pre-  
scriptions are not always danger-  
ous but they will nullify the skill  
of the best physician in the world.  
Therefore you should take your  
prescriptions where you know they  
will be filled accurately and care-  
fully—just as they are written.  
The City Drug Co. is the place.

Rev. H. B. Urquhart is making  
great preparations for the camp  
meeting the latter part of this  
month. He is receiving a great  
deal of encouragement and help  
from the best people of town, but  
the task of getting ready for this  
meeting is not small, and Mr.  
Urquhart should receive not only  
the encouraging words of every  
citizen, but his active help and  
co-operation. This is not a  
Methodist meeting nor a Baptist  
meeting, but it is a God meeting  
for Elba, Coffee county and the  
world—put on your work cloths  
and go over and do things. Prayer  
and good wishes are fine things in  
any enterprise, but prayer with-  
out work has never built a brush  
arbor yet.

## Marion Institute, Marion, Alabama.

**Aims.** To develop symmetrically the moral, mental and physical nature of each student with more regard for character and culture than for mere scholarship. To prepare for business, the study of law, medicine, the ministry, and engineering; to train young men for Agriculture and West Point and for study at the great universities.

**Methods.** (1) LIFE: All the professors and their families live in the Institute, and personal attention is given to the manners, morals, health, and social culture of students. The number of students is limited to those who can be accommodated in the Institute homes with the professors and their families.

(2) INSTRUCTION: Nine (9) professors and instructors from the leading American universities. The Marion Institute System in addition to the regular classroom instruction, each professor gives private, individual instruction in the Institute homes at night from seven to nine o'clock.

**Results.** The nature and quality of the work already done by the Marion Institute may well be judged by the record of Marion boys at the University of Virginia. Mr. Howard Winston, makes the following official statement: "The record of the University of Virginia for the decade ending June, 1906, shows that during that period the University of Virginia has awarded as many academic degrees to the graduates of Marion Institute as it has to those of any other college in the country."

**Courses.** College courses leading to the degrees Bachelor of Arts and Bachelor of Science. University Preparatory Courses: Coaching classes to prepare for the United States Military Academy at West Point and for the United States Naval Academy at Annapolis. Full Business College Courses, with thorough academic training in the elements of a liberal education. Special Courses to prepare for the study of Law, Medicine, Pharmacy, Dentistry, Engineering, Journalism, the Ministry. These are one-year and two-year courses adapted to the needs of each special student. For detailed information of courses, condition of admission, and expenses, address

**KILLED AT GRAVE.**

Mourner Struck By Lightning In Presence of Funeral Assembly.

Walter White, a farmer, was killed by lightning Sunday afternoon, at 7:30 p.m., while watching the funeral of his life-long friend, being lowered into the grave.

About seventy-five persons were at the funeral, and many of them were kneeling to the ground. Young White was taken to his home in the same hearse which had conveyed Barksdale's body to the cemetery.

Holmes Johnson, Jr., son of F. Holmes Johnson, well-known attorney of Grays, Ga., was run over and killed by a freight train on the Central of Georgia railroad near Grays, Ga. Young Johnson was riding between the freight cars en route to his father's peach orchard when a sudden jolt of the engine caused him to lose his hold, throwing him beneath the wheels. Death was instantaneous.

**Non Resident Notice.**

Lonnie Paul, Compt. In Chancery Court 11th Dist. S. E. Chancery, Elba, Ala.

Lena Paul, Respdt. 7th Divn., Elba, Ala.

In this case it is made to appear to the Register by the affidavit of R. H. Arrington, solicitor for the complainant, that the respondent Lena Paul is a non-resident of the State of Alabama and resides somewhere in the State of Florida, and that in belief of said Paul, she is over the age of 21 years; it is therefore ordered by the Register that publication be made once a week in the Elba Clipper, a newspaper published at Elba, Ala., once a week for four consecutive weeks requiring her, the said Lena Paul, to plead, answer or demur to the bill of complaint in this cause by the 10th day of August, 1910, or in thirty days thereafter a decree pro confesso may be taken against her in said cause. This July 10th, 1910. M. S. Carmichael, Register in Chancery.

**Camp Meeting**

REV. H. B. CRUQUANT

A camp meeting for Elba. Don't beat you?

And the people are rallying to it.

The camp grounds are now becoming the popular resort.

O how beautiful That's what the ladies say.

I didn't know such a beautiful place was in Elba is what they say.

The boys have been hard at it this hot Monday.

The briars and bushes fade away like mist before the morning sun.

Wayland Law had rather be at work on the camp grounds than sailing the ocean blue.

You haven't seen the piles of lumber on the camp ground have you?

Thesday the seats will go down.

The pulpit platform will be 16 X 18.

Friday night before the fourth Sunday in August—that's the time.

Law's lights will be beauties.

About twelve splendid lights is what Law will put under the arbor, with one large arc light on the roadway to the bridge.

When it comes to talking lights Law knows the trick.

Perdue is master mechanic.

Mace Rowe has worked like a wheel here.

Did you see Carmichael on that race?

Judge Sanders is solid as a rock—he knows how to stand to his guns.

Sam Windham, well he's a whole team.

And Symonds gets that western move on him, and things move.

Earl Tatum has worked like a beaver and says he's going to have a front seat. He shall, and his pa with him.

Wade McGee knows how to swing an ax.

Tatum thinks Bro. Urquhart can beat him shaving the briars and brush from the face of the ground.

Judge Sanders and his committee, consisting of Carmichael and others, went out after the shekels this morning and dropped forty-four "wheels" in the treasury.

Do you think the folks are coming? Ask Felder.

Just one week from next Friday night.

R. V. B. C. Glenn of Enterprise, will likely preach on the camp grounds at the special service at eleven o'clock next Friday morning, August 19th. Let everybody hear this splendid preacher.

There's something doing at the camp grounds this week.

Somebody said we were not going to have a camp meeting. That "feller" didn't know who was behind the thing.

The folks have fallen in behind the preacher, and are saying: we are going to stand by you. You better get in while you can. Don't be a "knocker," you'll feel lonesome.

The thing goes.

Come out next Friday morning at eleven o'clock and hear Rev. B. C. Glenn. Where? On the camp grounds of course. That's the only place in town.

Look in next Friday's paper for an "address" to the public.

The news comes Monday that a large crowd is coming from Enterprise, and that they are anxiously waiting for the time to arrive. Ask Miller about it.

For Quick Relief from Hay Fever, Asthma and summer bronchitis take Foley's Honey and Tar. It quickly relieves the discomfort and suffering and the annoying symptoms disappear. It soothes and heals the inflamed air passages of the head, throat and bronchial tubes. It contains no opiates and no harmful drugs. Refuse substitutes. City Drug Co.

While the cotton outlook is much better than seemed possible a month ago, still a good deal of the crop is deteriorating badly. Some forms will make practically a normal crop, and there are very few outright failures. Much of the cotton is now in a critical stage.

From Sickness To "Excellent Health!" So says Mrs. Chas. Lyon, Peoria, Ill.; "I found in your Foley's Kidney Pills a prompt and speedy cure of backache and kidney trouble which bothered me for many months. I am enjoying excellent health which I owe to Foley's Kidney Pills. City Drug Co."

**Ice Cream Causes Illness.**

Served night Mrs. H. D. Boyd served banana ice cream for supper, and as a result nearly all of those who ate it became very ill. It is believed that the bananas caused a kind of Potomac sickness. Those who were made sick were Mr. Moll Boyd, Jake and Andrew Boyd, and Mrs. L. A. Boyd, of Richburg, and her daughter Miss Mildred, Mr. Joe Boyd, of Troy, and Miss Blanch Bradley. All of them except Jake Boyd have recovered, and he is out of danger.

**Acute or chronic—Which?**

No matter if your kidney trouble is acute or chronic Foley's Kidney Remedy will reach your case. Mr. Claude Brown, Reynolds-ville, Ill., writes us that he suffered many months with kidney complaint which baffled all treatment. At last he tried Foley's Kidney Remedy and a few large bottles effected a complete cure. He says, "It has been of inestimable value to me." City Drug Co.

If you are looking about for a place to educate your children, have good health, good clean society, know good men and women, investigate Elba. We have all these and in addition have the best located town in this state for a manufacturing or commercial business.

Remember that we are careful in preparing your drinks and put only the best qualities of fruits and juices in your drink. Give us a trial, and be convinced. City Drug Co.

**First Bale.**

Elba's first bale of cotton was sold yesterday, the 15th, by Dink Roseberry, a negro tenant on Hon. R. A. King's place 3 miles East of Elba. It weighed 414 pounds and was sold at auction, Morrow & Clark buying it at 17 cents per pound, the amount paid being over seventy dollars. The cotton was ginned by Henry Taylor's big gin in West Elba, and was weighed by the Farmers Warehouse.

**President Taft A Director of The Marion Institute.**

The annual meeting of the Board of Directors of the Marion Institute, recently held in Washington City, which was presided over by President Taft, who has accepted membership on the Board of Directors, marks the beginning of a new era in the development of the Institute and inaugurates a movement of extraordinary promise in Southern education.

Recognizing that the training of youth of promise for leadership and public service is essential to the welfare of the Nation, and that great centers of learning, liberal in culture and national in spirit, where youth of all sects and sections may intermingling, are essential for such training, the Board of Directors of the Institute are developing upon the Foundation at Marion, first laid in 1842, an independent institution, adequately equipped and endowed, with a faculty and Board of Directors representing the best elements of Southern and national life, in order to afford the youth of the white population the highest possible training for citizenship and service.

The members of the Board of Directors of the Marion Institute who have united in this constructive endeavor to build in the heart of the Lower South an American Eden in order to train, as President Taft apply puts it, "the cream of the Southern youth to become such men as Dr. Arldolf made of Englishmen in his day," are distinguished scholars and patriots, representing the highest American ideals. The Board includes:

Hon. William Howard Taft, Washington, D. C.; President E. A. Alderman, University of Virginia; President E. B. Craighead, Tulane University; President George H. Denny, Washington and Lee University; President E. O. Lovett, The Rice Institute; Dr. A. A. Michelson, The University of Chicago; Rev. Noel L. Anderson, Winston-Salem, N. C.; Dr. B. J. Baldwin, Montgomery, Ala.; Mr. Albert P. Bush, Mobile, Ala.; Col. Francis G. Caffey, New York City; Rev. A. J. Dickinson, Birmingham, Ala.; Mr. Helton Gilreath, Birmingham, Ala.; Colonel Hilary A. Herbert, Washington, D. C.; Mr. William F. Hills, Lowell, Mass.; Hon. Lee McClung, Treasurer of the United States; Mr. Edgar Gardner Murphy, Montgomery, Alabama.

**PATTERSON TICKET MEETS WITH DEFEAT**

Independent Democrats Win by 25,000 Majority.

**CONTEST WAS HARD-FOUGHT**

Patterson Forces Acedes Defeat by the Majority Above Named—Independent Forces Represent Practically the State-Wide Prohibition Element of the Democratic Party.

The independent democrats in the Tennessee primaries Thursday elected their judicial tickets in one of the most exciting and hard-fought political contests ever known in the state. Following are the successful tickets: Judges of the Supreme Court—East or division, John K. Shields; middle division, D. L. Landrum; western division, Mat M. Nell; state-at-large, W. D. Beard, Grafton Green.

**Governor Patterson.**

Judges of the Court of Civil Appeals—Eastern division, H. Y. Hughes; middle division, Joseph C. Higgins, S. F. Wilson; state-at-large, Frank F. Hall, John M. Taylor.

25,000 Majority Against Patterson.

The independent headquarters here claim that the majority will approximate 25,000 votes. The regular democrats, whose ticket was defeated, claim these figures will be out by 10,000 or 15,000 votes.

The independent faction represents in a large measure the state-wide prohibition element of the democratic party, which has been vigorously opposing Governor Patterson since his memorable campaign with the late ex-Senator E. W. Carmack for the gubernatorial nomination.

Ended Bitter Fight.

The election ended a bitter fight. Patterson spoke in half the counties of the state, and lesser lights from both sides stamped the villages from the Great Smokies to the Mississippi. On the attitude of the bulk of the white republican vote hung the issue. The negroes practically all went for the Patterson ticket.

It is understood that in return for the assistance lent by the Republicans in electing their judicial ticket the independents will solidly support the candidate named by the Republicans for governor.

Disastrous to Patterson.

Enemies of Governor Patterson claim the result will have disastrous effect on his political future. He is a candidate for re-election to third term, but as yet the opposition has not shown its hand as to what steps will be taken in putting out a ticket against him.

Mixed freight and passenger train No. 73, America to Montgomery, on the Seaboard, was wrecked at Hutchison's crossing, near Hurtshorne, Ala. Engineer Lee Melrim and his color-ed fireman, both of Americus, were horribly scalded and their recovery is doubtful. The engine, three freight cars and baggage car left the track, the engine turning completely over.

J. B. Watt, aged 62 years, died at his home at Nashville, Tenn. Mr. Watt was one of the oldest operators in point of service in the country, having served over forty-five years in the business. He had the distinction of having taken the messages announcing the assassination of Lincoln, Garfield and McKinley.

The body of a negro, killed with shot, was found hanging from the limb of a tree near Nottingham, Ala. The community in which the lynching occurred is a new settlement, and the officers believe the victim met death at the hands of members of his own race.
